Sterile Hood Assembly Guide

1) Open up the IKEA hood

2) Unscrew the fan

3 Take the fan out

4 Take the switch box out

5 Keep the ring

6 Place the fan on the panel

7 Screw the fan to the panel

8 Assemble the rest on top

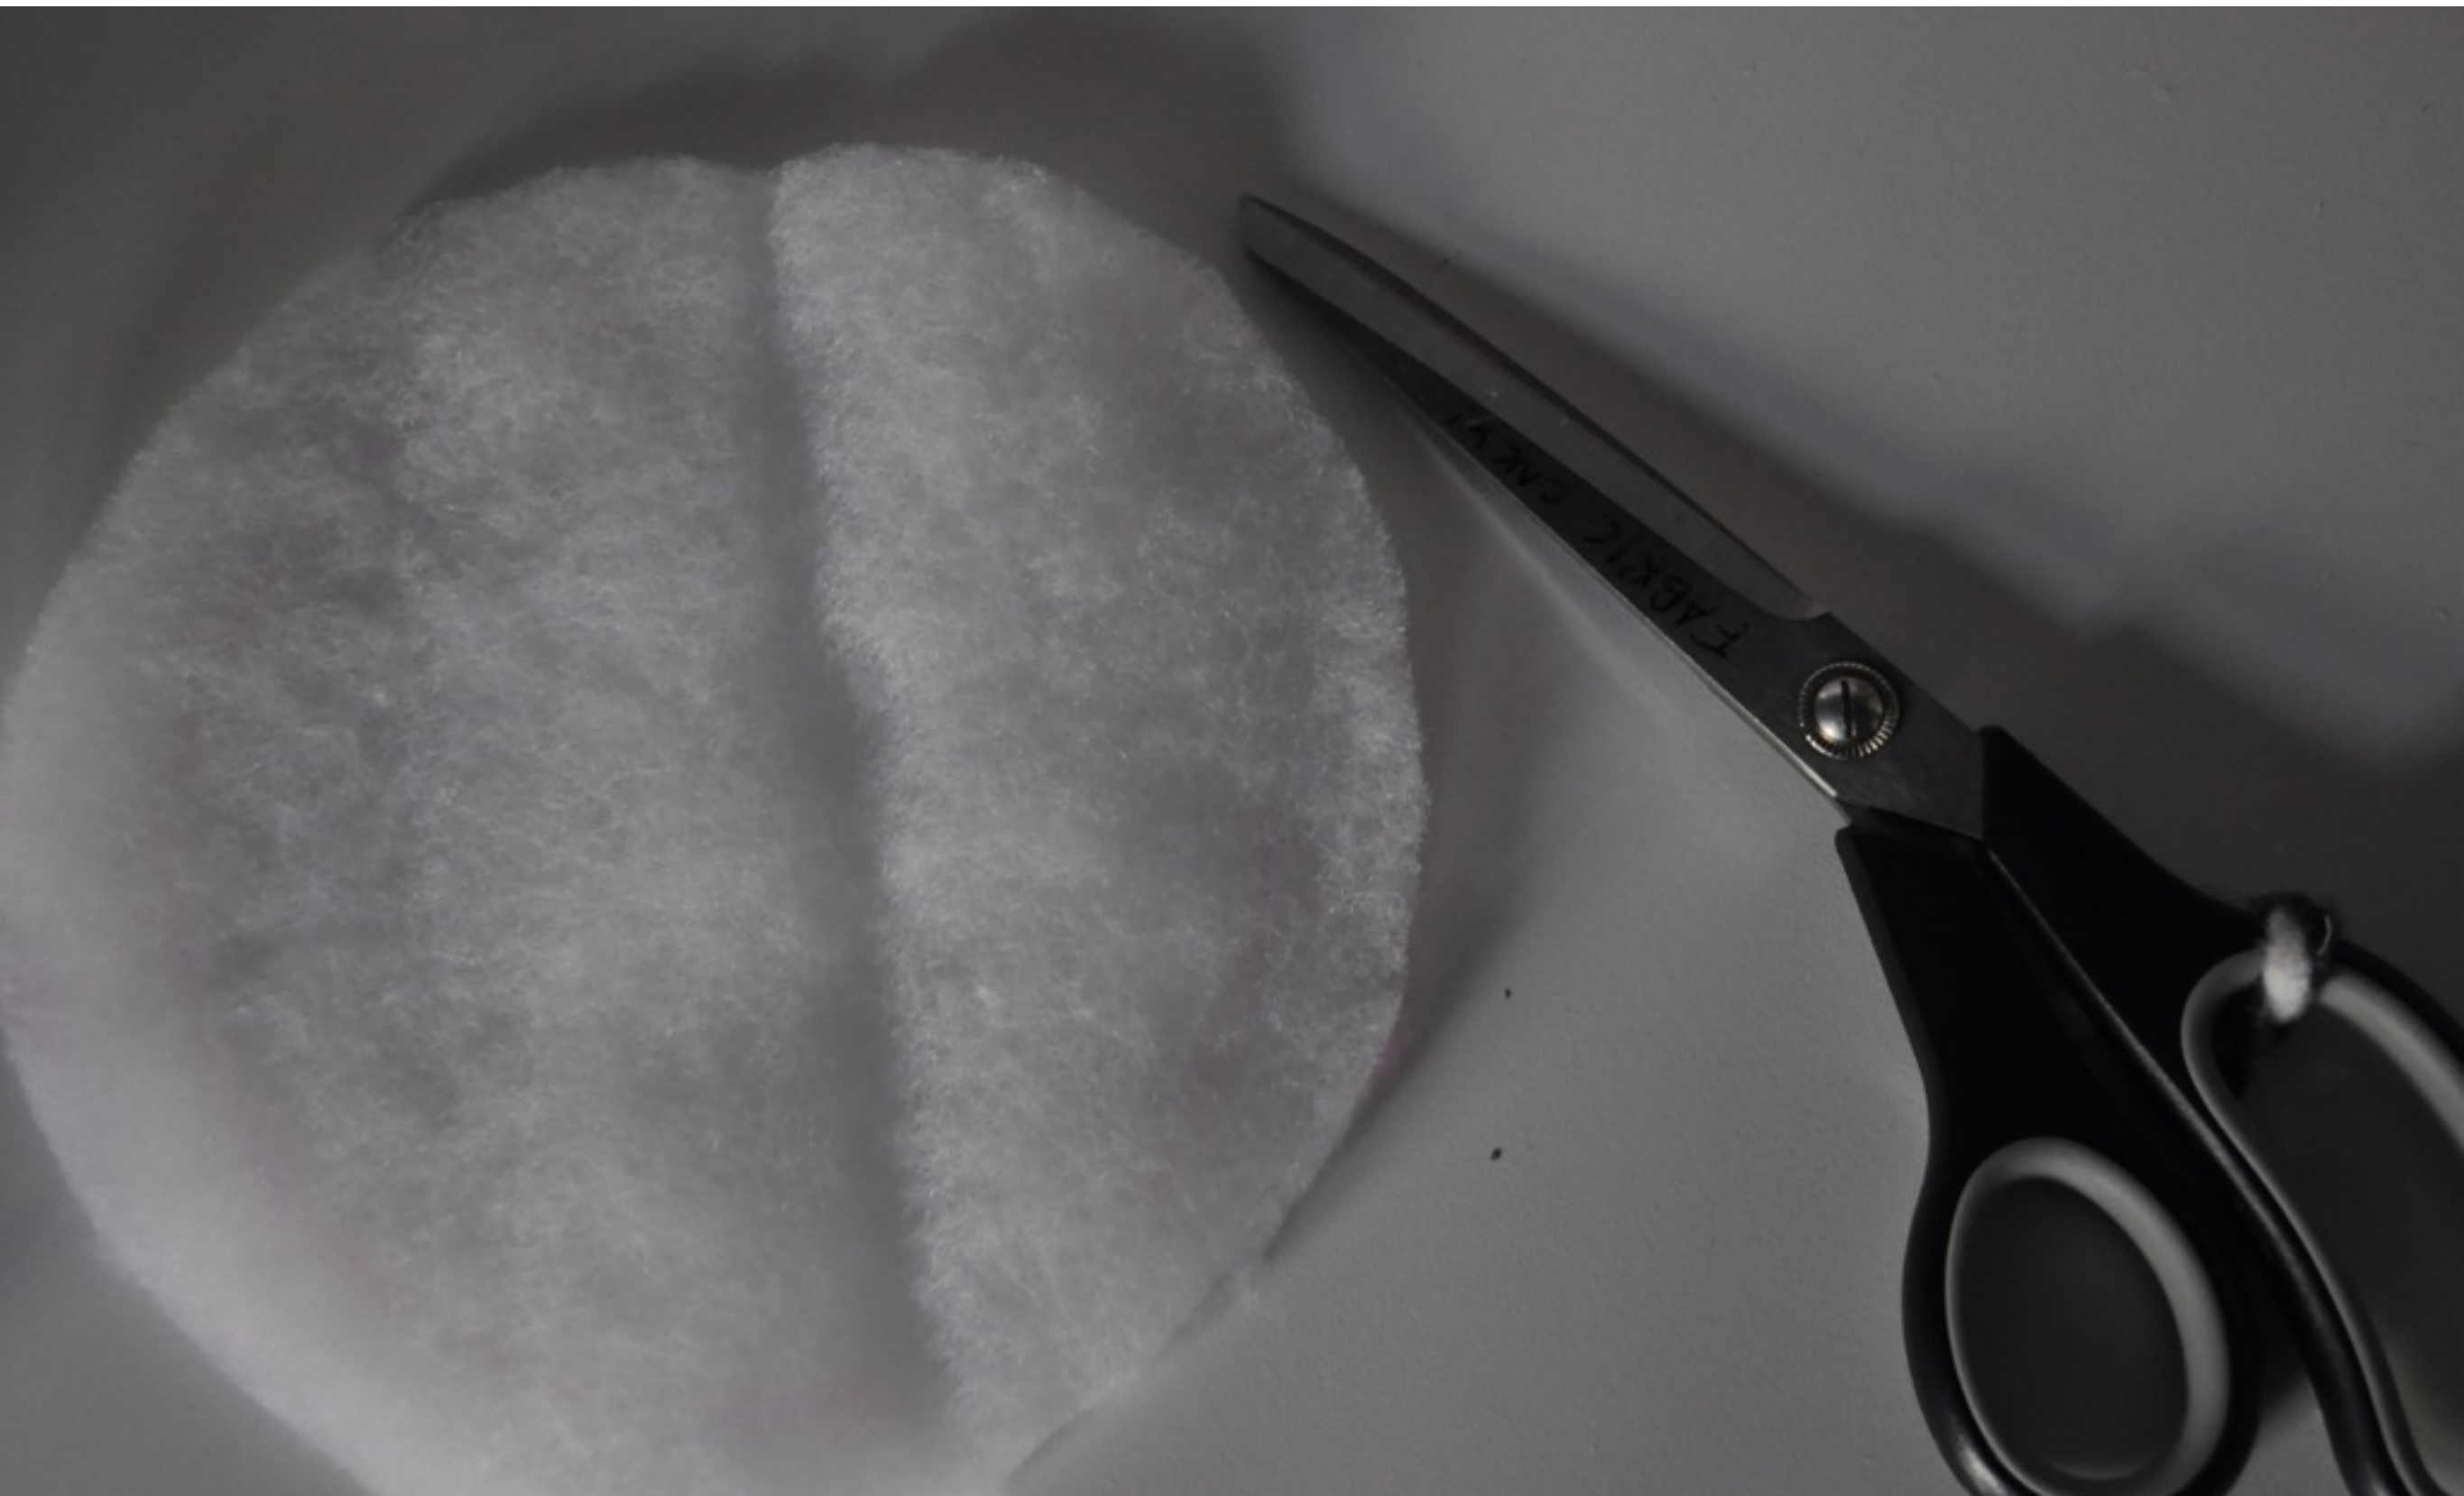

9 Loosen up to fit the filter

Use tape to fill the holes

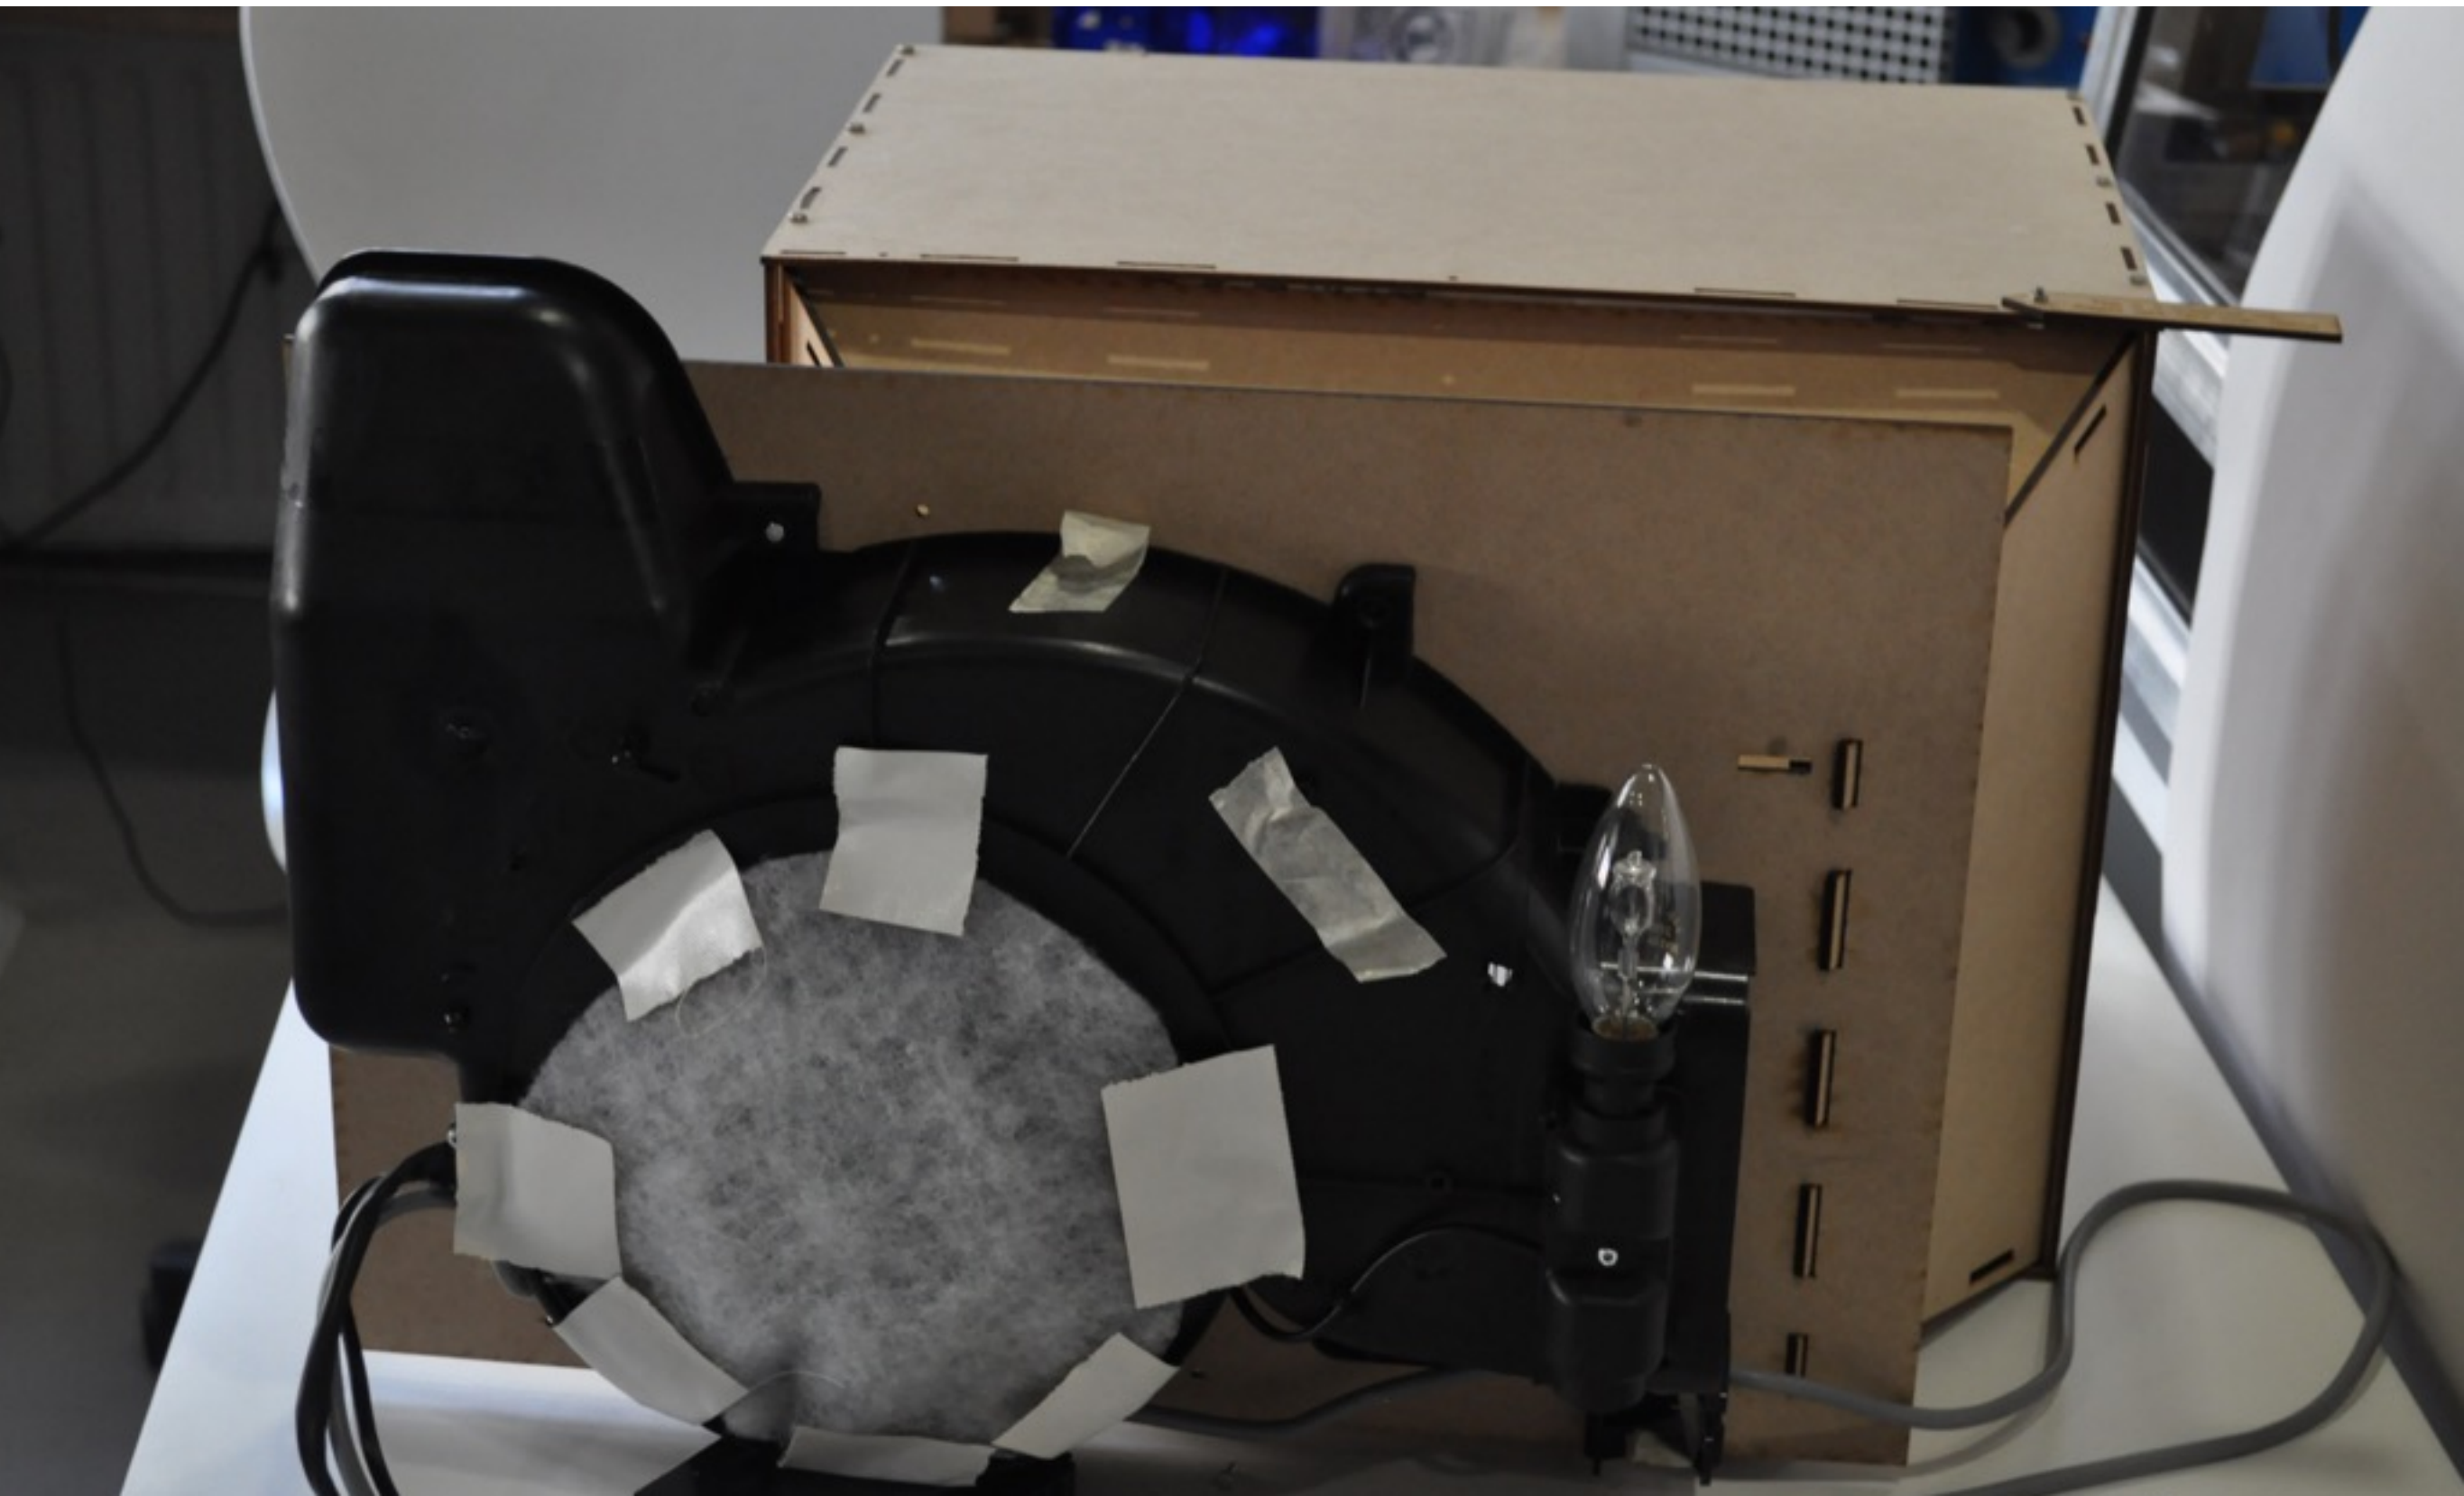

10 Cut out a piece of filter

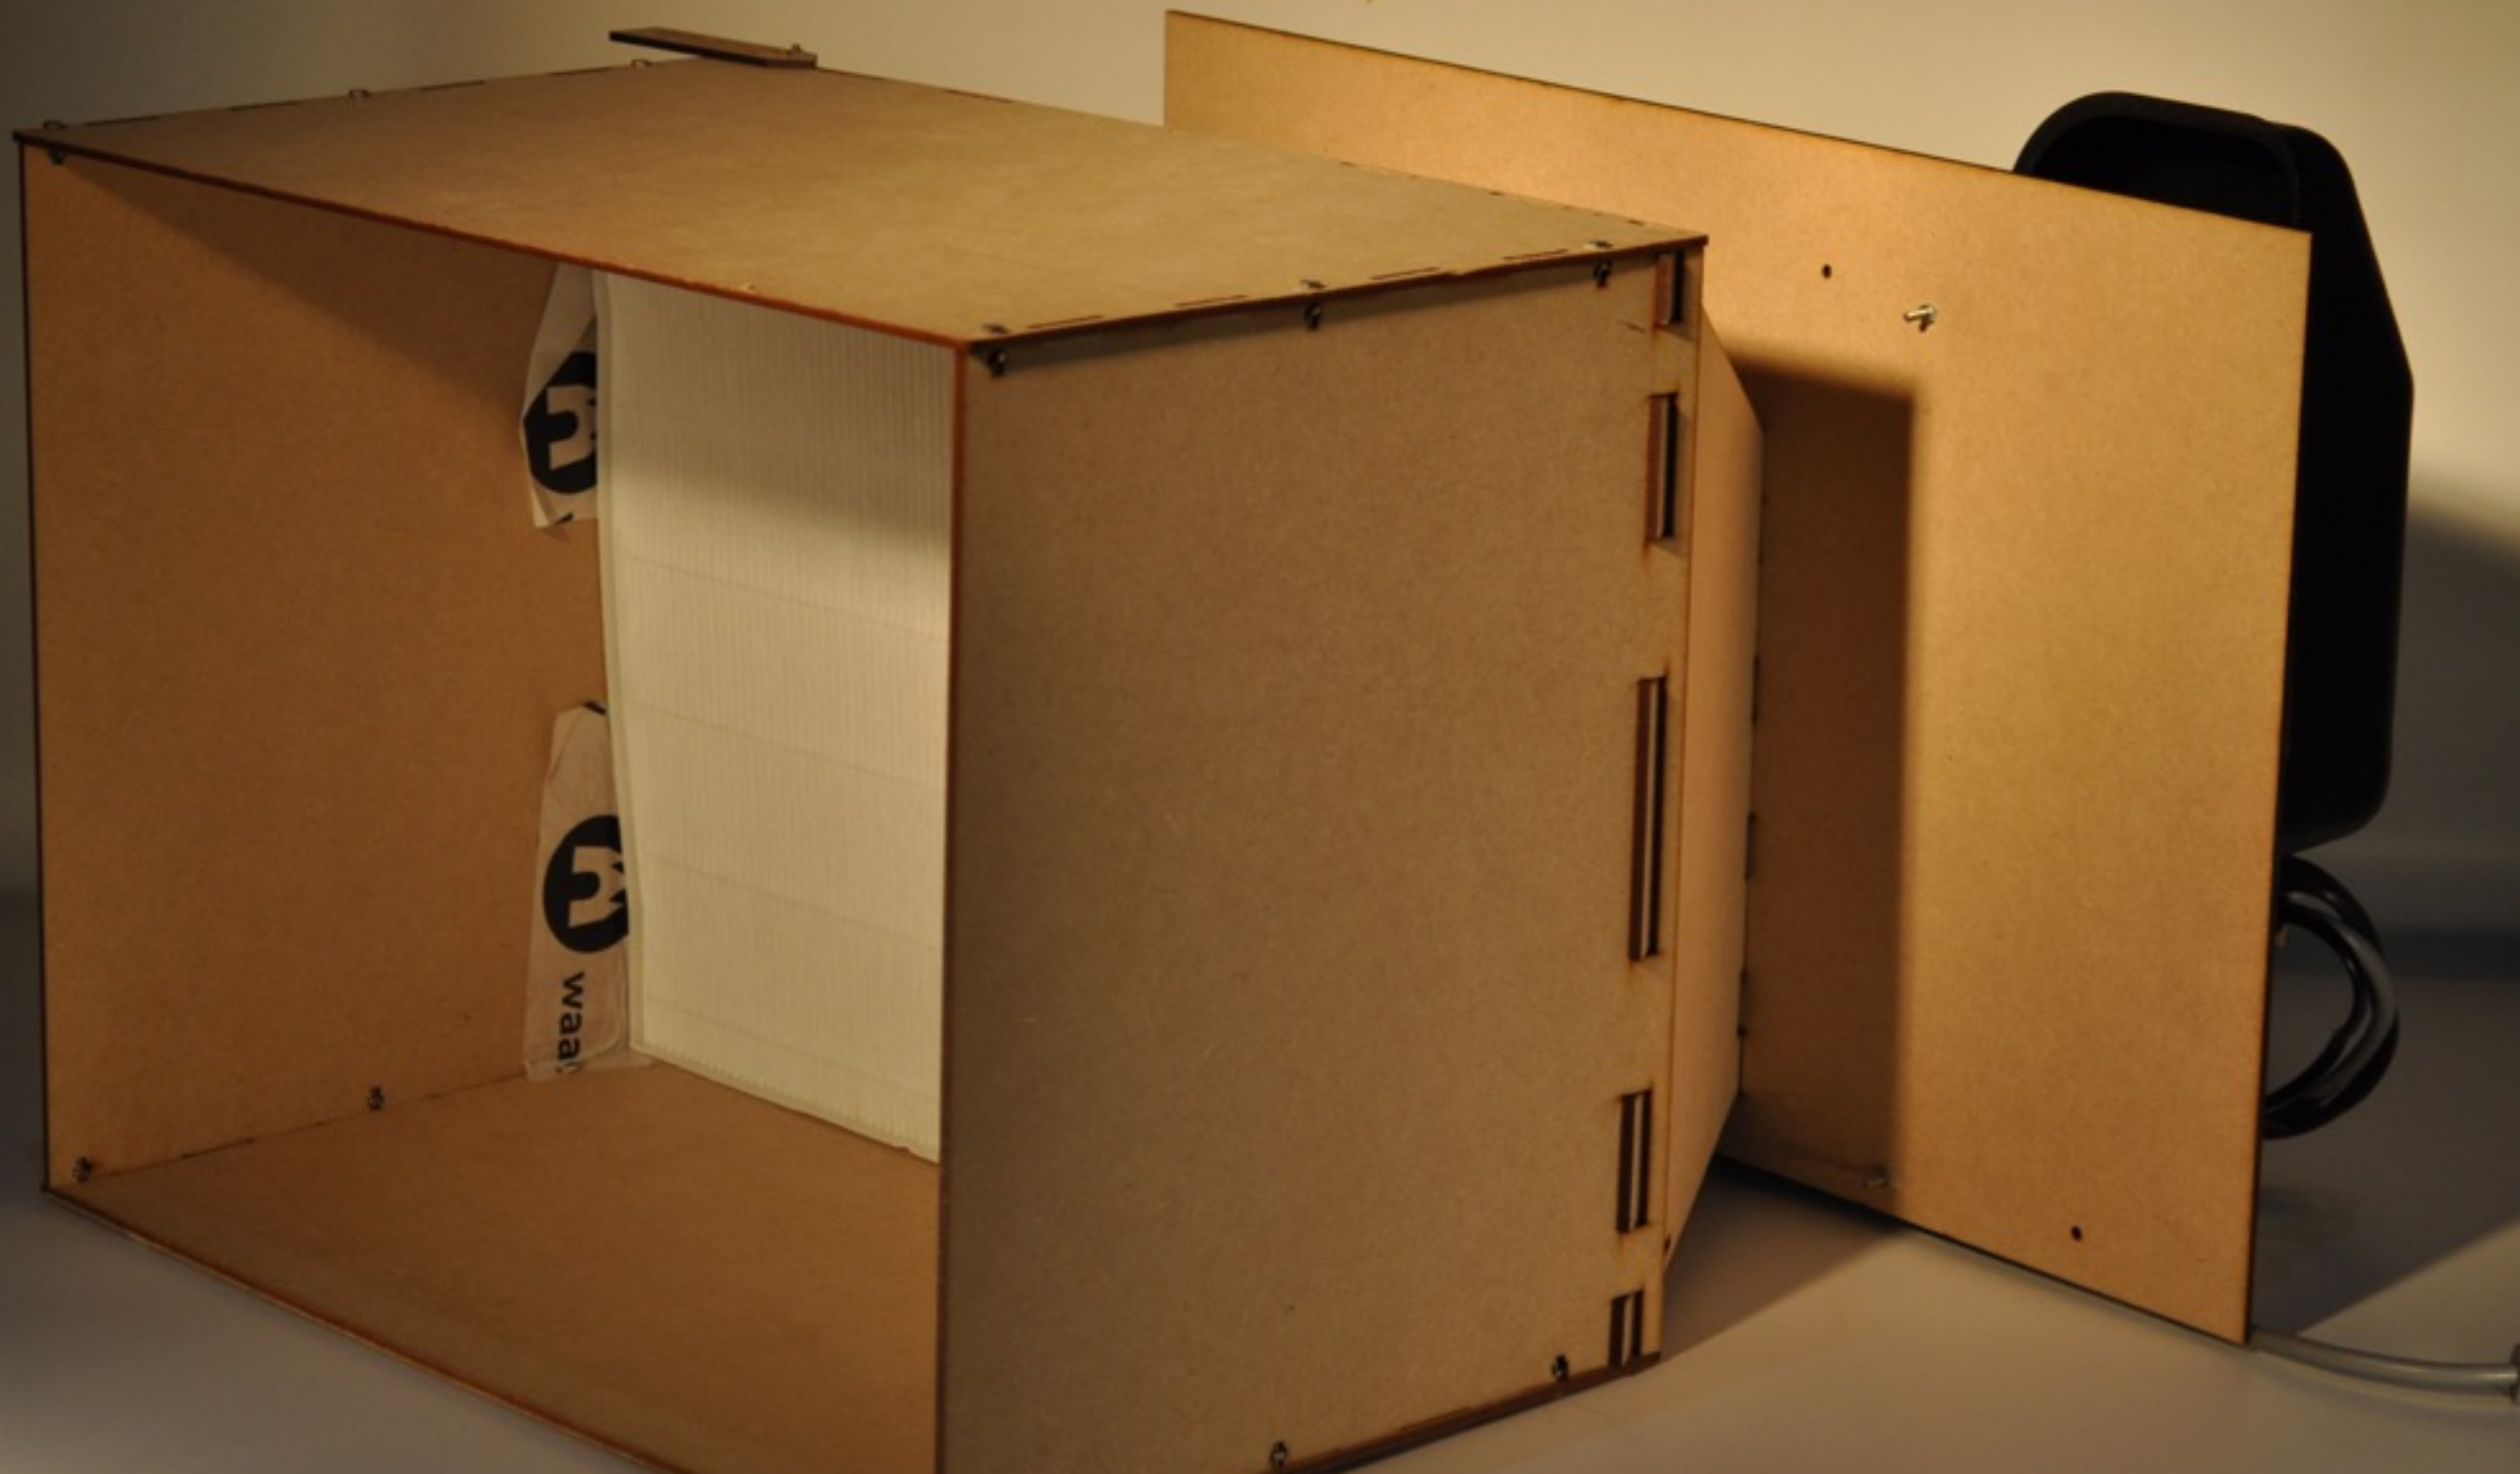

11 Tape it to the back of the fan

Bingo
